

CORE Fiber Raceway

Target Manufacturer — Not Yet Contracted

Plastic raceway, fiber duct, vertical drops and enclosure trunking systems that route and protect optical cable inside the white space.

GGK
Greifenstein-Beilstein, Germany

GGK GmbH & Co. KG is a German manufacturer of surface-mounted trunking and wall/cable raceway systems, marketed under the "Smart Cable Coaching" positioning — a specialist in slotted trunking and logistics-optimized raceway product ranges.

HQ

[Slotted Trunking] [Wall Trunking] [Raceway Accessories]

WHY WE CHOSE THIS PARTNER

A specialist, purpose-built raceway catalog gives CORE a dedicated wall-and-trunking option distinct from the heavier-duty duct systems of Kopos Kolín, useful for lighter commercial and office-adjacent runs.

Official site: <https://www.ggk-online.com>

Public financial and certification data for GGK is limited; figures reflect the company's own materials only.

Kopos Kolín
Kolín, Czech Republic

Kopos Kolín a.s. continues a production tradition dating to 1926 and describes itself as the largest Czech producer of wiring material, manufacturing over 5,000 items — wiring boxes, trunking, KOPOFLEX/KOPODUR protective conduit and the KOPOHALF split cable duct system — from plants in Kolín (Czech Republic) and Zhitomir (Ukraine), sold through 11 subsidiaries.

PRODUCTION SINCE
1926

PRODUCT RANGE
5,000+ SKUs

PLANTS
Kolín (CZ), Zhitomir (UA)

DISTRIBUTION
11 subsidiaries worldwide

[KOPOFLEX Duct] [KOPODUR] [KOPOHALF Split Duct] [Fire-rated Boxes]

WHY WE CHOSE THIS PARTNER

Near-century production heritage, a very broad catalog (5,000+ SKUs) and an existing 11-subsiary distribution network make Kopos Kolín the stronger anchor for heavier-duty duct and conduit needs.
