

DIVISION 01

CORE Rack Systems

Target Manufacturer — Not Yet Contracted

Server, network, colocation and open-frame racks — the physical foundation of every data hall. This division pairs a large-scale Czech manufacturer with a European custom-cabinet specialist.

CONTEG
Pelhřimov / Příbram / Barcelona

Family business founded in 1998 by Jan, Vít and Vojtěch Voláček. Today the CONTEG Group comprises around nine companies and 500–700+ employees, manufacturing IT, telecom, industrial and outdoor racks alongside precision cooling, PDUs and monitoring — exported to roughly 70 countries on three continents.

FOUNDED 1998	EMPLOYEES 500–700+ (Group)
HQ / PLANTS Pelhřimov, Příbram, Barcelona	CERTIFICATIONS ISO 9001, ISO 14001

[Server & Network Cabinets] [outTEG Outdoor] [inTEG Industrial] [CoolTeg Cooling] [RAMOS Monitoring] [OEM / Customization]

WHY WE CHOSE THIS PARTNER

Vertically integrated, in-house production in the Czech Republic, a broad catalog spanning indoor, outdoor and industrial racks, and its own cooling and monitoring lines let CORE offer a single-source rack + cooling + monitoring package. Being family-owned also supports a direct, long-term commercial relationship.

Wenvex
EU Production Facility

A custom data center cabinet manufacturer specializing in non-standard hardware, tight spaces, unique airflow requirements or branded finishes — with in-house design and production, low minimum order quantities and short lead times.

FOCUS Custom / Bespoke Cabinets	PRODUCTION In-house, EU facility
EMPLOYEES Not publicly disclosed	CERTIFICATIONS Not publicly disclosed

[Custom Server Cabinets] [Low MOQ] [Co-development]

WHY WE CHOSE THIS PARTNER

Complements CONTEG's standard catalog with custom, low-volume manufacturing capability — useful for projects needing non-standard or private-label cabinets without committing to large volumes.
